## § 218.32

### § 218.31 Incorporated procedures.

The following subparts of part 205 of this chapter are, as appropriate, hereby made applicable to this part:

(a) *Subpart A— General Provisions; Provided*, that § 205.11 shall not apply; *and Provided further*, that in addition to the methods of service specified in § 205.7 of this chapter, service shall be effective if a supply order is transmitted by telex, telecopies or other similar means of electronic transmission of a writing and received by the firm to which the supply order is addressed.

(b) *Subpart F— Interpretation.*

(c) *Subpart K— Rulings.*

(d) *Subpart M— Conferences, Hearings and Public Hearings.*

### § 218.32 Review.

(a) *Purpose and scope.* This subpart establishes the procedures for the filing of an application for review of a supply order. An application for review is a summary proceeding which will be initiated only if the criteria described in paragraph (g)(2) of this section are satisfied.

(b) *What to file.* (1) A firm filing under this subpart shall file an "Application for Review" which should be clearly labeled as such both on the application and on the outside of the envelope in which the application is transmitted, and shall be in writing and signed by the firm filing the application. The applicant shall comply with the general filing requirements stated in 10 CFR 205.9 in addition to the requirements stated in this section.

(2) If the applicant wishes to claim confidential treatment for any information contained in the application or other documents submitted under this subpart, the procedures set out in 10 CFR 205.9(f) shall apply.

(c) *When to file.* An application for review should be filed no later than 5 days after the receipt by the applicant of the supply order that is the subject of the application, or no later than 2 days after the occurrence of an event that results in a substantial change in the facts or circumstances affecting the applicant.

(d) *Where to file.* The application for review shall be filed with DOE Office of

Hearings and Appeals (OHA), 2000 M Street, NW., Washington, DC 20461.

(e) *Notice.* The applicant shall send by United States mail or deliver by hand a copy of the application and any subsequent amendments or other documents relating to the application to the Administrator of the Economic Regulatory Administration of DOE, 2000 M Street, NW., Washington, DC 20461. Service shall be made on the ERA at same time the document is filed with OHA and each document filed with the OHA shall include certification that the applicant has complied with the requirements of this paragraph.

(f) *Contents.* (1) The application shall contain a full and complete statement of all relevant facts pertaining to the application and to the DOE action sought. Such facts shall include a complete statement of the business or other reasons that justify review of the supply order and a full description of the pertinent provisions and relevant facts contained in any relevant documents. Copies of all contracts, agreements, leases, instruments, and other documents relevant to the application shall be submitted with the application. A copy of the order of which review is sought shall be included with the application. When the application pertains to only one step of a larger integrated transaction, the facts, circumstances, and other relevant information pertaining to the entire transaction shall be submitted.

(2) The application shall include a discussion of all relevant authorities, including, but not limited to, DOE and DOE rulings, regulations, interpretations and decisions on appeal and exception relied upon to support the action sought therein.

(g) *DOE evaluation—(1) Processing.* (i) The DOE may initiate an investigation of any statement in an application and utilize in its evaluation any relevant facts obtained by such investigation. The DOE may solicit and accept submissions from third parties relevant to any application for review provided that the applicant is afforded an opportunity to respond to all third party submissions. In evaluating an application for review, the DOE may convene a conference, on its own initiative, if, in its discretion, it considers that a
